SUPPLEMENTARY INFORMATION:

Background and Explanation of Provisions

This document contains amendments to 26 CFR part 1 under section 1502 of the Internal Revenue Code (Code). On September 4, 2003, temporary regulations (T.D. 9089, 2003-2 C.B. 906) (the first temporary regulations) relating to the application of section 108 to members of a consolidated group were published in the **Federal Register** (68 FR 52487). A notice of proposed rulemaking (REG-132760-03, 2003-2 C.B. 933) cross-referencing the first temporary regulations was published in the **Federal Register** for the same day (68 FR 52542). The first temporary regulations added §1.1502-28T, which provides guidance regarding the determination of the attributes that are available for reduction when a member of a consolidated group realizes discharge of indebtedness income that is excluded from gross income (excluded COD income) and the method for reducing those attributes. Section 1.1502-28T reflects a consolidated approach that is intended to reduce all attributes that are available to the debtor member.

Because the first temporary regulations may not have provided for the reduction of all the attributes that are available to the debtor member, on December 11, 2003, the IRS and Treasury Department published in the **Federal Register** (68 FR 69024) temporary regulations (T.D. 9098,

2003-2 C.B. 1248) (the second temporary regulations) under section 1502 amending §1.1502-28T. A notice of proposed rulemaking (REG-153319-03, 2003-2 C.B. 1256) cross-referencing the second temporary regulations was published in the **Federal Register** for the same day (68 FR 69062). The second temporary regulations clarify that certain attributes that arise (or are treated as arising) in a separate return year are subject to reduction when no SRLY limitation applies to the use of such attributes.

On March 15, 2004, the IRS and Treasury Department published in the **Federal Register** (69 FR 12069) temporary regulations (T.D. 9117, 2004-15 I.R.B. 721) (the third temporary regulations) under section 1502 amending §§1.1502-13 and 1.1502-28T. A notice of proposed rulemaking (REG-167265-03, 2004-15 I.R.B. 730) (the 2004 proposed regulations) cross-referencing the third temporary regulations was published in the **Federal Register** for the same day (69 FR 12091). The third temporary regulations address certain technical issues relating to the application of excluded COD income to reduce attributes under sections 108 and 1017 and §1.1502-28T.

The 2004 proposed regulations, in addition to cross-referencing the third temporary regulations, proposed amendments to §§1.1502-28T and 1.1502-11 to provide a methodology for computing consolidated taxable income and for effecting attribute reduction when there is a disposition of the stock of a member in a year during which any member realizes excluded COD income.

No public hearing was requested or held for any of the regulations described above. Written and electronic comments responding to the notices of proposed rulemaking were received. After consideration of all the comments, the proposed regulations are adopted as revised by this Treasury decision, and the affected provisions in the
